

**PERMIT APPLICATION TO PLACE WATERLINE INTO ROAD RIGHT-OF-WAY**

Name and address of Applicant \_\_\_\_\_  
\_\_\_\_\_

A) Legal Description of land where work is proposed \_\_\_\_\_

B) Work is necessary because \_\_\_\_\_  
\_\_\_\_\_

C) Where will waterline go to? \_\_\_\_\_

Does it have adequate cover? \_\_\_\_\_

Will it affect adjacent landowner? \_\_\_\_\_

D) County Road No. Affected \_\_\_\_\_ How deep will waterline be \_\_\_\_\_

What size waterline \_\_\_\_\_ When will work be done \_\_\_\_\_

Type of work (bore or ditch) \_\_\_\_\_

E) By signing this application for permit the Applicant agrees to the following conditions:

1) Any waterline unless otherwise approved will be through the total right of way.

2) The waterline pipe will be of appropriate material to meet standards. If a casing is installed, Heavy wall PVC will be used. Waterline casing placed under or through the road shall extend from toe of inslope to toe of inslope or 5 feet beyond curb lines.

3) All waterlines placed within the road right-of-way from approval of this permit shall be the owners responsibility to maintain, assume responsible for all liability thereof, and save the county and its agents from any and all claims arising from any future action of maintenance and construction of said water facility under this application and permit.

5) All waterlines through the road will be placed at least 4 feet below the ditch ground level.

6) The work shall not interfere with any existing utility facilities. The County reserves the right to remove or repair, with its own forces but at the expense of the applicant, any waterline which is not maintained or causes damage to adjacent right-of-way

7) All other agency permits are the responsibility of the owners/contractors and this permit will not negate any other permit requirements including but not limited to NRCS, Soil and Water, DNR, COE.

8) The undersigned applicant hereby agrees to all terms and conditions of this permit.
