## **Swift County Government Offices**

BENSON, M.N. – During this Health Pandemic, the Swift County Government is asking residents with non-essential services to postpone any visits to county offices. For those of you who need assistance or who need to conduct business, please contact us via email at [info@co.swift.mn.us](mailto:info@co.swift.mn.us) or call 320-843-4069, your message will be directed to the appropriate area.

Swift County is trying to do our part to help respond to this emerging public health threat. We are actively encouraging sick employees to stay home and are offering them flexibility with their work schedules to take care of family members.

Employees have been directed to take extra precautions and practice social distancing, good hand hygiene, and appropriate cough and sneeze etiquette. Our staff is also working very hard to routinely clean frequently touched surfaces in the workplace, such as workstations, countertops, restrooms and doorknobs for the public and our staff.
